Interactive Media Design (Honours)

Algonquin College, Ottawa, Ontario

- Deans Honour List: 3.97/4.00 GPA
- Class Rep for the first semester
- Major Courses:
 - Web Development
 - User Experience Design I
 - Graphic Design
 - Content Management I
 - Communication

- Design and align visual and print materials (menus, business cards, social media content, banners, logos, posters, company blog, etc.).
- Ability to design different templates for mock-ups.
- Create and transform designs into materials for web or print.
- Communicate with clients about design needs.
- Design websites with HTML, CSS, and WordPress.
- Create user interfaces using UX strategies, user research, interaction design, usability testing, visual design, and content strategy.

Mock Project

- Designed a mock project package for a bakery and discussed with the client designs including logo, colours, Typography, and layout. The process included meeting and connecting with the client, researching, and designing and revising the business card and brochure.

- Used valid HTML and CSS to make a responsive website for Three Star Media and matched it with the given mock-up design including a navigation bar, images and texts in the header, using CSS Grid and Flex properties to display various elements, adding a contact form and Google map in main, and copyright in footer.

- Used WordPress to create and maintain a website with a theme for a small business including various posts and pages and added two plugins Contact Form 7 to create a contact form and Elementor Website Builder to customize the Meet the Team page.
